Sponge Rubber and Rubber Floor Gaskets

No wax—fits 3" and 4" waste lines

Sponge Rubber Gaskets

For new installations, remodeling or when bowls must be reset for repairs. Special sponge rubber gaskets, with thousands of tiny air cells, are super-resilient. Under pressure, gaskets expand into bowl orifice and all crevices to make a positive, gas and watertight connection.

1/2" thick in bulk pack	070060	078864 700602	12	2
3/4" thick in bulk pack	070070	078864 700701	12	3

------------------------------------	--------	---------------	---	---

No-Wax Flexible Toilet Gasket

Eliminates the problems and mess of using conventional wax gaskets for setting toilet bowls. Specially designed gasket has feathered ribs on the surface which allow for a sure seal and also seals voids and irregularities on bottom of toilet. Tapered sealing ring in the gasket opening provides seal around toilet outlet and throat of closet flange. Bolt holes in gasket, hold bolts upright for easier toilet setting. Fits all standard toilet flanges. Reusable. Laboratory tested to 32 PSI. Not to be used where stacking of more than one wax gasket is required.

§ flexible rubber gasket	070085	078864 700855	6	2
--------------------------	--------	---------------	---	---

Dura-Cell Closet Gasket for Zurn Systems

Close-cell, sponge rubber, leak-proof, closet gasket for wall-hung closet bowls. Packaged with instructions.

Dura-Cell gasket 5-3/8" O.D. x 3-1/4" I.D. x 3/4" thick	071070	078864 710700	6	1
