

## Drain Cleaners and Openers

### Liquid Drain Cleaner and Opener

splash control bottle\*

Bath products contain special foaming agents to force active ingredients into the clog.

**Liquid Drain Cleaner** clears drains from sinks to sewer, septic tank or cesspool in minutes. Dissolves all forms of waste matter, grease, hair, lint and paper. Use weekly to keep drains clear, odorless and flowing freely.

**Liquid Drain Opener** is a double strength, fast acting formula with corrosion inhibitor. Use to remove tough clogs fast. Heavier than water so it goes right to the clog and starts working immediately. Will not harm plumbing fixtures, metal or plastic pipe or septic systems.

Product	Harvey Stock Number	UPC Number	Case Pack	Ship Wt. Lbs.
drain cleaner, 32 fl. oz. (1 quart) in plastic bottle	039500	078864 395006	12	36
drain cleaner, 64 fl. oz. (1/2 gallon) in plastic bottle	039525	078864 395259	6	32

drain opener, 64 fl. oz. (1/2 gallon) in plastic bottle	039575	078864 395754	6	35

### Granular Drain Cleaner/Opener

professional strength\*

**Granular Drain Cleaner/Opener** cleans drains and removes sewer line obstructions. Regular use prevents slow drains, clogs and buildups. Starts to work on contact—removes even the toughest clogs. Non-acid formula will not harm metal or plastic pipes or septic systems. Deodorizes drain odors.

1 lb. net wt. (16 oz.) in plastic jar	039700	078864 397000	12	14
---------------------------------------	--------	---------------	----	----

### Enzyme Cleaners

in liquid or granular form\*

**Enzyme Cleaners** contain safe, scientifically formulated strains of live bacteria and enzymes that will clean sinks, drain lines, septic systems, RV holding tanks, porta-toilets, garbage disposals and grease traps of organic matter such as grease, food particles and waste. They actually digest most clogs and keep pipes clean and deodorized. Both contain the maximum strains and counts of bacteria available today. Works great as a septic tank activator.

<b>liquid enzyme cleaner</b>				
32 fl. oz. (1 quart) in plastic bottle	039600	078864 396003	12	30
64 fl. oz. (1/2 gallon) in plastic bottle	039625	078864 396256	6	27
<b>granular enzyme cleaner</b>				
1 lb. net wt. (16 oz.) in plastic jar	039750	078864 397505	12	14

## Root Destroyer

### Root-Away Root Destroyer

in child-resistant container\*

**Root-Away Root Destroyer** for removal of roots from sewer pipes and controlling root growth in sewers. It is harmless to trees, shrubs and septic tanks when used as directed. For commercial or home use. Active ingredient: Copper Sulfate Pentahydrate 99% (Copper as metallic 25.2%), inert ingredients 1%. EPA registration no. 1812-374-60022. EPA est. no. 60022-NB-001.

2 lb. net wt. (32 oz.) bag in plastic cup	048010	078864 480108	6	14
---	--------	---------------	---	----

\*All bottles on this page have child-resistant packaging
